About us

Springwell Leeds is a new provision for the city, which we have been developing across Leeds on three different sites over past next eighteen months.

Our aim is to provide the best possible care and education that we can for children and young people with Social, Emotional and Mental Health (SEMH) needs. Unconditional Positive Regard is at the centre of what we do and we are creating an academy that is welcoming, caring, safe, warm and believes that all its pupils can be supported and empowered to succeed. We are creating individual and personalised pathways for our students that are built around their varied needs which will help them achieve positive outcomes and prepare them for their onward destinations into continuing education, work or training. In order to achieve this, we have developed a curriculum that provides opportunities for academic progression as well as vocational learning, whilst being engaging, creative, and innovative.

We see strong relationships as the key to our success – with students, parents, carers and the wider community and we ensure that our academies are welcoming safe places for children to learn and prosper. We believe in working closely with our families and carers and welcome their support, but also realise that at times they will need our support too. We work closely with other agencies and schools to make sure we do all we can to make learning and life the best it possibly can be.

Working in partnership with Leeds City Council, we are building an exciting future and we need like-minded staff to join us in this unique opportunity.

Springwell places a huge emphasis on professional development and invests significantly in staff training at all levels. This means that, although experience of working in an SEMH setting would be an advantage, specialist support and training will be provided for outstanding teachers wishing to make the career-fulfilling move into special education. We already have a number of ex-mainstream teachers who have successfully made this transition.

Springwell Leeds is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
