

Do you want a job where you make a difference to the lives of children and young people?

Do you want to be inspired on a daily basis by your work?

Vacancies on various Springwell Leeds Academy sites for:

Scale 2 Teaching Assistants

Part of Wellspring Academy Trust, Springwell Leeds is an exciting partnership development between Leeds City Council and Springwell Special Academy, an outstanding cross-phase SEMH School. Exciting opportunities are available for people looking for a fresh challenge in an inspiring learning environment where we provide children with 'second chance' learning. The posts will suit candidates who have the commitment, passion and resilience to make a difference to pupils who have a range of social, emotional, mental health and special educational needs.

SCALE 2 (Point 9-13) TEACHING ASSISTANTS – 37 HOURS (TTO + 5) – START DATE AS SOON AS POSSIBLE. FTE SALARY £15,375 TO £16,491 (ACTUAL SALARY £ 13,091 TO £14,042)

These posts are potentially based on a number of sites around the city which may include:

- Oakwood Primary Site – TBC (Oakwood)
- Springwell Leeds East Site (Seacroft)
- Springwell Leeds South Site (Middleton) - Short initial placement until Easter on a site in the Meanwood or Burley Park area of the city

In January we opened the first of three new buildings in Seacroft, catering for students aged 10 through to 16. And is the first part of an exciting £45 million pound investment in the city into SEMH provision. As we add new buildings during the year there is an opportunity for career progression or to move to a more local site in the South or North of the city.

These Teaching Assistant positions may suit those wishing to develop a career within the Special Education Sector. College/University graduates are welcome to apply as full training will be offered to candidates wishing to develop a career in this setting. Our partner school, Springwell Special Academy, Barnsley is a National Teaching School (Barnsley TSA) and is therefore able to support a career path for aspiring teachers through a rigorous development programme.

Post holders will be responsible for supporting and leading small groups and individuals with Maths, English, reading, S.E.A.L, practical activities, supporting pupils to develop resilience, social skills and self-esteem plus using effective strategies for supporting pupils with a range of behavioural conditions (ASD/ADHD/SEMH/ODD).

About us

Springwell Leeds is a new provision for the city, which we will be developing across Leeds on a number of different sites over the next couple of years.

Our aim is to provide the best possible care and education that we can for children and young people with Social, Emotional and Mental Health (SEMH) needs. Unconditional Positive Regard is at the centre of what we do and we are creating an academy that is welcoming, caring, safe, warm and believes that all its pupils can be supported and empowered to succeed. We are creating individual and personalised pathways for our students that are built around their varied needs, which will help them achieve positive outcomes and prepare them for their onward destinations into continuing education, work or training. In order to achieve this, we have developed a curriculum that provides opportunities for academic progression as well as vocational learning, whilst being engaging, creative, and innovative.

We see strong relationships as the key to our success – with students, parents, carers and the wider community and we ensure that our academy is a welcoming safe place for children to learn and prosper. We believe in working closely with our families and carers and welcome their support, but also realise that at times they will need our support too. We work closely with other agencies and schools to make sure we do all we can to make learning and life the best it possibly can be.

Springwell places a huge emphasis on professional development and invests significantly in staff training at all levels. This means that, although experience of working in an SEMH setting would be an advantage, specialist support and training will be provided for outstanding teachers wishing to make the career fulfilling move into special education.

Springwell Academy Leeds is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

If you would like to discuss or find out more about these posts, please contact Steve Tighe, Executive Vice-Principal, via email s.tighe@springwellacademyleeds.org

Completed applications should be e-mailed to Sarah Reeder, PA to Executive Principal at s.reeder@springwellacademyleeds.org

The letter of application should outline why you feel your experience makes you a strong applicant for this exciting opportunity. It would be helpful if you could indicate if you have a preference for a particular location or if you are completely flexible.

The closing date for these posts is: Noon on Friday 2nd March 2018

We expect that interviews will be undertaken the following week.

Springwell Leeds is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. Successful candidates will be required to undergo an enhanced disclosure and barring services check.
