

## Primary PE and Sport Premium Funding Action Plan 2021-22

### Introduction

The Department for Education Vision for the Primary PE and Sport Premium:

*ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.*

*Due to the interruption and disruption of specific aspects of PE provision in 2020-21, many elements of this plan are carried forward from last year.*

The funding has been provided to ensure impact against the following OBJECTIVE:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (above) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

### Swimming and Water Safety

Swimming is an important skill and can encourage a healthy and active lifestyle. The programme of study for PE sets out the expectation that pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively for example, front crawl, backstroke and breaststroke
- perform safe self-rescue in different water-based situations
